Notes for JOHN HALL, JR.:

RESEARCH NOTES: John Hall, Jr., who died in Dickson Co, TN, is formerly of Burke County, NC. More research needs to be done in NC. John's date of birth is based on his wife's & the age of his oldest child.

John purchased several Tennessee land grants from different individuals in the early 1800's. This included the land on Yellow Creek where John was living when he died.

NOTE: I have placed his children in the order listed in his will as I believe he listed them in the order of their birth, from oldest to youngest.

The following is part of John's will taken from Dickson County, TN, Will Book ?, page 40: Last Will and Testament of John Hall (Junior), No. 25 (the parts that name his children and their inheritance will be found in their respective notes):

In the name of God, Amen, I, John Hall of the County of Dickson and State of Tennessee being weak in body but of perfect mind and memory do this seventeenth of May Eighteen hundred & twenty two (17 May 1822) make ordain and publish this my last Will and Testament in manner and form following revoking all others by me made.

Ist: It is my Will and desire that all my just debts be paid.

. . . (See Joseph W., John, Jesse, Martha, Elizabeth M., David, Joshua, Berriman, Susanna, and Wesley for the next ten paragraphs in that order). . .

2nd: It is my Will that my beloved wife Susanna have during her life or widowhood every species of my property not above named for her support and the five youngest children & for their education. At her death or intermarriage the whole of my property left in her hands to be equally divided between all my children. Should any of the (?little) Negroes died before my five youngest children become of age it is my Will that the loss be made good out of my Estate left in the hands of my wife.

It is my Will that my beloved wife be allowed two hundred dollars to be made out of the amount of sales of any of my property together with the three hundred dollars that will be due from my sons, Joseph and

John and daughter Elizabeth in all five hundred dollars which sum to be appropriated to the purchase of a Negro boy for the support of my wife and the raising of my youngest children and at her death to be equally divided between all my children as my other property.

Lastly shall make and ordain my beloved wife Sussana and son Jesse Executors of this my last Will and Testament.

Other settlers of that period were Robert Crumpler, who came from North Carolina and settled on Town Branch of Jones' Creek and Thomas Fannel, who came from Virginia and settled near what is now Charlotte. Richard Warway, George Southerland, Hugh McNeiley, Christopher Robertson, Nathan Crumpler, Daniel and Jacob Leach, Daniel Williams, James Nosworthy, William Fussel, James Walker, John Spencer, Anthony Vanlier, John Hendrickson, Epps Jackson, Elias Napier, Robert and Hicks Boxter, William Doak, William Russell, Lemuel Harvey, Jesse Craft, William Caldwell, John Hall, James Fentress, John Burton, William Brasier, Redner Adams, Thomas Simpson, Robert Stington, Moses Smith, Cornelius Magraw, William Moore, Samuel Parker, Burgiss Harris and Thomas Mitchell were among the settlers who came to Dickson County between 1800 and 1810.

----- By a supplemental act, passed November 7, 1803, the sheriff of Dickson County was directed to hold an election the first Thursday in June, and the succeeding day, at the place of holding courts, to elect field officers for the county; and the justices in that part of Dickson stricken from Montgomery County were authorized to continue their duties in the new county. By an act passed August 3, 1804, Robert Dunning, Sterling Brewer, John Davidson, Montgomery Bell and George Clark were appointed commissioners to fix on the most central and suitable situation for the erection of a court house, prison and stocks for Dickson County, whose duty it was to purchase forty acres of land on the most

reasonable terms, on some part of which the above buildings were to be erected. The commissioners were also authorized to lay off the said forty acres into a town, to be called Charlotte, and to sell said town lots, and with the proceeds of such sales erect and pay for the courthouse, prison and stocks, and should the money derived from such sales be insufficient to pay all the costs incurred in erecting such buildings, the county court was authorized to levy a tax for such purchase. Pursuant to the above act Montgomery Bell, William Doak, William Russell, Sterling Brewer, Gabriel Allen, William Teas, Lemuel Harvey, Jesse Croft and Richard C. Napier, the justices provided for by said supplemental act, met and qualified on Monday, March 19, 1804, at the residence of Col. Robert Nesbitt. The house in

which the first session of the county court was held remains standing in very good repair, being occupied by a grandson of Col. Nesbitt. It is a one-story log building, and stands about three miles north of the county seat. After appointing Robert Drake, clerk pro tem., and Drury Christian, sheriff pro tem., the court adjourned over until 11 o'clock the next day, when it again met, and there being a full attendance of justices the following officers were elected to serve until the next regular election should be held. Clerk, Daniel Dickson; sheriff, Benjamin Weakley; register, James Walker; commissioner of revenue, Robert Drake; county trustee, John Larkins; wood ranger, William Caldwell; corner, John Hall; all of whom were qualified and entered upon the discharge of their official duties.

----- The soldiers furnished by Dickson County to the war of 1812 were as follows: John B. Walker, Thomas Edwards, David McAdoo, William James, Benjamin Swift, Daniel Williams, James Bell, Thomas Williams, James Daniels, Thomas Gilbert, William Porter, John Jones, John Hall, John Tilley, William Dodson, James Hightower, Obediah Spradlin, Abraham Heath, Simon DeLoach, Jesse Beck, Francis Hunter, Drury Atkins, A. Etherage, Isaac Heath, Aaron Parrish, Willis Willey, Thomas Nesbitt, Richard Batson, Isaac Hill, David Bibb, Allen Bowen, Richard Watkins, Lansom Gunn, Anderson England and Edward Niblack.

Miles Causey points out that the John Hall who was sent to the War of 1812, was probably John Hall Sr. (1775-1870)

Eastis / Estes Family History <Picture:

Primary surname researched is EASTIS from the Willis Eastis line. Other related lines: Estes, Cummins, Ellard, Moses, Armstrong & Morgan. Willis Eastis (surname at birth may have been "Estes") was born on 18 Aug 1803 in North Carolina (possibly in Wake, Ashe, Burke or adjoining county). Willis married Sally Cummins (daughter of Samuel Cummins of Guilford County, NC) in c. 1823. Together Willis and Sally

had 9 children together: Daniel (my ancestor) born 1 Aug 1824 near Raleigh, NC; Mary in 1827; William Calvin in 1828; Emeline in 1832 in AL; John W. on 12 Mar 1837 in AL; Elizabeth in 1839 in Jefferson County, AL; Marion in 1841 in AL; Amanda in 1843 in AL and Basley Manly Eastis on 30 Mar 1846 in Jefferson County, AL. Sarah must have died around 1853 because Willis married Susan Lathem (dtr. of Anthony Lathem & Sophrona Turner) on 30 Jun 1853 in Jefferson County, AL and they had one daughter, Narcissus Eastis in 1854 in AL. Susan must have died around 1858, because Willis married for a third time, to Martha Hodges (dtr. of Leroy Hodges and Permelia____) on 13 Mar 1860 in Birmingham, AL. Willis and Martha had six children from 1861 until 1871, in this order: Dolly Ann, Cornelia Dora, Lucinda, Alice, Willis, Jr. and Sarah Sultania Eastis. (I have all details of these 16 children, their spouses, children, etc.) Willis Eastis (b. 1803 NC) became Justice of the Peace in Jefferson County, AL on 20 Mar 1856 and he died on 13 May 1881 and is buried at the Hodges Family Cemetery in Dogwood, AL (near the town of Republic). Willis had three brothers: John Eastis born in 1791; James Wiley Eastis born in 1795; and Andrew Eastis born 18 Apr 1798 in North Carolina; Andrew married Margaret Henson on 17 Sep 1820 in Jefferson County, AL and Andrew died on 10 Jul 1872 and is buried with all of his family at the Salem Baptist Church Cemetery in Toomsaba, Lauderdale County, Mississippi. Andrew and Margaret moved from Jefferson County, AL to Toomsaba, Miss. (about 100 miles from B'ham) as early as 1841. Willis probably had more siblings than these three brothers---these are the only three I know as of now. I would love to know the identity of Willis Eastis' (1803-1881) father and mother. Chances are that his father's surname was "Estes". Willis' father may have been Elisha Estes who died in c. 1811. I have recently read a Caldwell County, North Carolina genealogical newsletter (Volume One, 1983) which states that Estes originated from "Este" from the Colony of Este, a group of Italians in the Seventh Century A.D. Other surnames that originated from "Este" are Est, East, Easter, Esteuse, Eastis and Estes. The Este colony then moved to Burgundy, France and then onto England before Mathew Estes (son of Robert & Dorothy Estes of Dover, England) was the first known Estes to come to America in about 1670. These Estes lived in Virginia for some time and then moved to North Carolina. I will be glad to e-mail anyone who's interested a copy of this entire article written by Mary E. Laxton in 1983; the article contains a full list of the families of Charles and Mary Thaxton Estes of Louisa County, VA and Ruben

Estes (1741-1811) who served in the Revolutionary War. I would be happy to share the research I have done with anyone related to these Eastis / Estes lines. Likewise, I would be delighted to find out any information about Willis Eastis' parents, siblings, etc. In addition, I am interested to know more about the origins of Eastis / Estes / Este. You may reach me at either dmeastis@compuserve.com or ordmeastis@aol.com.

Surname: HALL

John Hall called Squire Hall in early Burke Co, NC records, was probably born before 1750 maybe in PA, MD or VA? The 1800 Burke census indicatedhis birth as before 1755.

His 1st wife is unknown at this time. Court records in Jul 1804 indicateFenwell Shanks, widow of James Shanks, now Fenwell Hall wife of John Hall.

John Hall's Burke Co., will probated in Jan 1812 only names Jesse andFenwell Hall. John's York Co, SC will dated 17 Nov 1808, probated 2 Feb1816, names wife Fenwell; daus.: Sally, Elizabeth, Tempy, Polly, DianaHicks (dec'd) and Rebecca; sons: John, Elijah, Jesse, David, Joshua, andgrandchildren: Jesse and Polly, children of David, dec'd.

I believe John was a son of William Hall and Margaret Collier becauseJohn Hall was appointed administrator of the estate of William Hall inRowan Co, NC. Also, John Hall was granted land in Rowan Co, NC surveyedfor William Hall. The book "Carolina Cradle" says William Hall removed toCarolina before 1753 probably from Chester Co, PA gives reference toChester Co, PA and Rowan Co, NC records. William Hall was on the 1759Rowan Co. tax list. Rowan Co. deeds indicate William Hall and wifeMargaret.

Augusta Co, VA records indicate William Hall with wife Margaret, JohnHall and John Colier/Collyer, William's brother in law.

Some areas of early Augusta Co, VA are today in PA and MD.

Hi Toxey,

I posted some White family info on the Burke County query board.

John Hall Jr. was in 6th company with his father John Sr. and JosephWhite
was in 5th company in the 1790 Burke Co, NC census but they were not in the
1800 Burke County census.

Joseph White was in the Methodist Episcopal church in Burke County and the
church was moving into TN in the 1790s. TN early on was a part of NC and NC
gave land grants that were in TN, some for Rev. war service. Joseph White is
mentioned in the book "Rev. War Soldiers of Western NC, Burke Co."

If John Jr. or Joseph White were my direct line I would start with the first
county in TN, Washington's records and work down to Dickson and try to get
their war records out of Washington DC.

I checked the familytreemaker info you gave me and the children are the same
as I had been given years ago by someone I don't remember.

Let me know what you find.

Thanks,

Don

Surname: HALL, WHITE, WOOD

Hi Toxey,
Some White info:

Joseph White and wife Martha, had children: Susanna Hall, Mary Wood, Joseph, Ebraham, Catherine, Martha and Ruth.

Joseph's family was in the 1790 Burke Co, NC census. Joseph died in KnoxCo, TN, will names wife and children.

Joseph had land on Silver Creek in Burke County, joining John Hall Sr.

The Book "Rev. War Soldiers of Western NC, Burke Co, NC" says Joseph's widow Martha, acting as executrix of his estate, transferred his Burke County lands to John Hall SR. NOT JR.

Susanna must have married John JR, don't you think?

Also, I think Elizabeth Hall, d/o Squire John married a White. Can you tell me if she married Joseph or Ebraham?

Don't know why different dates for probate or why York Co, SC.

Surviving old wills are located in NC and SC archives and there is a book "Burke Co, NC Wills" by a Miles Philbeck (Don't know if I spelled the name right).

Some emailers have John Hall married to Susan living in TN and some say they moved from TN to TX.

Let me know what you think.

Thanks,

Don
